***Closed:** Closed meetings are for anyone who has a desire to stop lusting and become sexually sober. If you are new to SA, you are welcome at any SA meeting. Closed meetings permit detailed discussion of various elements of the SA recovery program. If you have never been to an SA meeting before, you will be able to attend a newcomer's breakout meeting offered at all closed meetings.

****Open:** As the term suggests, meetings of this type are open to sexaholics, their families, and to anyone interested in solving a personal sexaholism issue or helping someone else to solve such a problem. Guests at SA open meetings are reminded that any opinions or interpretations they may hear are solely those of the speaker involved. All members are free to interpret the recovery program in their own terms, but none can speak for the local group or for SA as a whole.
